eGift Card original value £20.00

Card Number

**6341753565654796195**

PIN

**2925**

#### Terms and Conditions:

This eGift Card may be redeemed in full or part payment for goods at Sainsbury's Supermarket Ltd. This eGift Card can only be used in-store or online at [www.sainsburys.co.uk](http://www.sainsburys.co.uk), it cannot be used for purchases via the Sainsbury's App, over the phone or at Sainsbury's Petrol Stations, in the pharmacy or any concession within Sainsbury's.

This eGift Card is not a credit, payment or cheque guarantee card, cannot be redeemed for cash, for Sainsbury's Bank products, services or credit card balances and cannot be resold or re-tendered. Sainsbury's may exclude specific products from purchase via Gift Card, please refer to <https://help.sainsburys.co.uk/help/products/about-sainsburys-giftcard> for the full listing.

The value of this eGift Card expires on the date shown above, which is 24 months from the date of initial activation. If unused within this time the card will be deemed inactive and any remaining balance lost. Treat this eGift Card as cash – it cannot be replaced if lost, damaged or stolen.

Sainsbury's is not responsible for any unauthorised use of this eGift Card and reserves the right to amend the terms & conditions of this service at any time. For full T&Cs please visit <https://help.sainsburys.co.uk/help/terms-and-conditions/GiftCardTCs>. To confirm any remaining balance at any time please register your gift card online at <https://help.sainsburys.co.uk/help/products/about-sainsburys-giftcard>

There are two methods of redeeming your eGift Card: 1. In-Store 2. Online at [www.sainsburys.co.uk](http://www.sainsburys.co.uk)

**1. Redemption In-Store.** eGift Cards can be redeemed from a smart phone device or printed and taken in to store. After each use In-Store any remaining balance on the eGift Card will be printed on a receipt. It is the recipient's responsibility to retain the receipt as evidence of their outstanding balance.

It is the recipient's responsibility to retain the eGift Card for use in any future transactions. There is no limit to the number of eGift Cards that can be used per transaction but eGift Cards cannot exceed a total of £250 per transaction. If items are returned to store in accordance with our refund policy <https://help.sainsburys.co.uk/help/refunds-returns/what-is-refund-policy>, any refund due will be credited to your eGift Card.

**2. Online Redemption at [www.sainsburys.co.uk](http://www.sainsburys.co.uk)** eGift Cards can be redeemed at Sainsbury's Online Groceries only. The maximum value that may be redeemed by a customer in one online grocery transaction is £50. Product exclusions apply. Use of our online grocery delivery service requires registration. eGift Card holders must register at [Sainsburys.co.uk](http://Sainsburys.co.uk) and accept the terms and conditions and privacy policy. Minimum online order value of £25 applies. Online delivery fees apply. An eGift Card cannot be used to pay for delivery charges.

Dependent on card balance, you may use the eGift Card to deduct a maximum £50 from your shopping total. Any remaining balance must be paid for using the payment card linked to your online groceries account.

To use the eGift Card online at [Sainsburys.co.uk](http://Sainsburys.co.uk) it must be converted to an online coupon. To convert, enter your unique eGift Card code and PIN at checkout. If a valid code and PIN has been used, you will be asked to manually enter how much you wish to convert. If you convert only part of your eGift Card balance you will be asked to provide your valid code and PIN on any future conversions. Once converted, your outstanding balance will be held online and can be found in your coupon wallet at checkout. Your online coupon held in your coupon wallet will expire 24 months after first conversion.

We will not provide an expiry reminder. If goods are out of stock on your booked grocery delivery date Sainsbury's will offer a substitute unless you tell us not to. If, as a result of substitutes, the value of your order drops below the value of your converted eGift Card applied to that transaction then the converted eGift Card payment will be used for the full value of your basket (excluding delivery charge). The balance will be credited to your Sainsbury's online grocery coupon wallet as a new coupon to be used against an online grocery shop at Sainsbury's within 24 months of conversion. If items are returned to store in accordance with our refund policy, <https://help.sainsburys.co.uk/help/refunds-returns/what-is-refund-policy>, any refund due will be credited to your Sainsbury's online grocery coupon wallet.

#### eGift Card current balance:

The eGift Card value displayed can be updated to show the actual balance of the eGift Card even after you've started to spend it. Simply re-open the eGift Card via the original link sent to you or refresh the page in your browser after a transaction in-store or online to get the new balance for easy reference. Balances are updated 3 times per day, so if your balance doesn't update please try again later or alternatively check your balance online by registering your eGift Card here <https://help.sainsburys.co.uk/help/products/about-sainsburys-giftcard>. Please note that eGift Cards added to the Apple or Google wallets, unfortunately, do not update currently and the balance displayed in the mobile wallet will remain static based on the balance displayed when the Gift Card was added.
